Dan;

Congratulations on your re-election!
I am looking forward to working together for another session.

With the change in board and county leadership, we have an opportunity and duty to bring Dodge County together for the betterment of all our residents.

This will not be easy, but as we all respect varied opinions and become united, Dodge County becomes stronger and remains the place we are proud to call home.

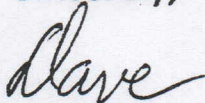

I am asking for your support as COUNTY BOARD CHR. April 19.

I pledge to provide strong, fair leadership.

Together we are all better!

Thanks in advance for your support!

Sincerely;

Dave Frohling
